

NITTO DUO

Linear LED Profile Manufactured in Australia

Nitto Duo is an original linear profile designed and manufactured in Australia that can be utilised for indoor continuous linear lighting applications. Constructed from high grade polycarbonate and aluminium materials Nitto Duo can be ceiling cable or rod suspended. Nitto Duo can be made to individual module lengths or fabricated to custom lengths. Available in multiple colour temperatures and new tech tuneable white adjustable colour temperature, Nitto Duo produces continuous light effects both for Up and down as well as Direct and Indirect lighting distributions.

IP20 CE

Width	55mm
Height	110mm
Length	Custom
Ingress Protection	IP20

Mounting	(S) Surface Mount (P) Suspended
----------	--

Output per meter	21W - 2654lm 27W - 3398lm 36W - 4489lm
------------------	--

Power supply	Integrated
Voltage	240V

Beam Angle	120 Degree
CRI	90+
UGR	<16
Step McAdam	<3
Lifetime	50,000 hours L80, B10

Colour Temperature	2700K 3000K 4000K Tunable White
--------------------	--

Finish	Black White Anodised Silver
--------	-----------------------------------

Dimming	(N) On/Off (D) DALI (C) CASAMBI
---------	--

Material	Aluminium
Diffuser	Opal
Warranty	5 Years
